**SUBJECT: DOWNTOWN COMMERCIAL CORE PLAN  
WORKSHOP 3 TO BE HELD FALL 2015**

Dear Community Members:

Tustin City staff would like to thank you for your participation in the Downtown Commercial Core Plan public outreach process. The City has held two workshops in preparation of the Downtown Commercial Core Plan.

The City has been working with a consulting team to make this a plan that can be fully implemented as soon as possible. Your contributions through the first few workshops and other workshops have been instrumental in shaping the draft plan. The preparation of a Specific Plan, General Plan Amendment and Environmental Impact Report is an extremely complex process. We are excited to present the draft plan to you sometime in the fall before we finalize the plan.

We appreciate and value your continued support and participation in the planning and implementation process. We will continue to keep you apprised of the status of the plan, the date of the third Workshop (once it is set), and how you can participate in shaping the future of Tustin's Downtown.

Sincerely,

Elizabeth A. Binsack  
Director of Community Development
